Reports from the SD 10 Lions Cabinet, Honorary Board, Zone Chair, Leadership Team and Committee's to the Saturday, June 29, 2019 Cabinet Meeting in Big Bay at Bay Cliff Health Camp 10:00a.m.

District Governor Bruce LaBelle:

WRITTEN REPORT, SD10 LIONS CABINET MEETING – JUNE 29, 2019
I will be attending the Lions International Convention in Milan, Italy next week (July 5th – 9th). I will be leaving on Wednesday, July 3rd and returning on July 10th. In my absent please contact 1VDG Joseph Maki at 906-280-4372 or jmaki4215@sbcglobal.net if anything must address or taken care of in me absents.

I like to thank all the individuals that have served in the past and continued to serve on the District Cabinet. I would also like to thank the new Lions Members that have moved up to the District this year at my request. We have a lot of new members of the Cabinet this year with most of the Zone Chairs having been changed. Please be sure to introduce yourself to any new face. You all remember when you were that individual.

District 10 Organizational Roster books will be going to the printers on Monday, July 1st. I expect to get them back the last week of July and will get them out in the mail within a few days afterwards. I have an electronic version available for those who would like it. Please send me an email with the Subject Line of "2019-20 Roster Booklet". I will email it out as so as possible. The delay again this year is the result of so many clubs not having their officers reported to Lions Clubs International.

I created a new position Cabinet position for the 2019-20 year. This position with be the District Administrator. The purpose of this position is to work with the Global Leadership and Global Service members and develop a training plan to train the Club Secretaries how to submit the Club's MMR & Activities reports to LCI. Along with the Zone Chairman, they will also continue to follow-up with the Clubs each month in insuring that the reports are completed monthly. Currently only have only 27 of the 55 clubs reporting their activities this year. Even if you have no activities it needs to be reported. For the clubs that are reporting, the logged 7883 hours as of June 26, 2019.

IT Development: We need to look at a way to allow Lions Members to attend meeting without having to travel to the schedule meeting location. The State office added this feature this year and it has been working great. There are free programs available however they are limited to only about 15 attendees and have a limit of 45 minutes, so these programs will not work for us. We need to consider a system such as" ZOOM" with 100 connections for future meetings. There will be a cost for the equipment and the licensing fees.

Vice District Governor Training: The Vice District Governors are invited to attend the Council of Governors Meetings this year. We will be conducting training for the Vice Governors at each of these sessions. It is encouraging that the Vice Governors make room in their schedules to attend these meetings and training sessions. This will also allow the Vice Governors to get to know their fellow future Governors and have some continuity over the years. Money has been allocated in the District Budget to assist you in the costs of attending. The 1VDG has additional training available by attending the USA/CANADA Forum which the Budget also has money for.

2018-19 Club Visits; I have visited all the Lions Clubs assigned to me. I have also installed several Lions Clubs 2019-20 Club Officers and Inducted new members during my visits.

PU101 – As of June 25th, we still have 9 Lions Clubs that have not report their 2019-20 Club Officers or are missing a required one. A few these clubs are having a problem with the newer officer being able to log into the MyLCI website since they are not current officers. I have been working with those clubs and Lions International so that the new Secretaries are able to complete the task and be trained for future years by adding them as Club Secretary for the current year 2018-19. I have appointed a District Administrator for this coming year to assist the Club Secretaries in getting the required PU101 and monthly reports submitted by enter teaching them how to use the website and computer or my entering the data if needed using MyLCI & MyLion Applications at https://myapps.lionsclubs.org/

Baraga Township	2018-19 Club President Christopher Wiggins	
Brampton Township	2019-20 Club Treasurer missing	
Brimley	2018-19 Club President Brian Reattoir	(Club Secretary at Large)
Carney Nadeau	2018-19 Club President Cindy Swille	(Officers remain the same)]
Champion	2018-19 Club President Roy Pascoe	
Chassell	2018-19 Club President Barbara Worrall	
Chocolay	2018-19 Club President James Manyen	
Germfask Seney	2018-19 No Club President Shown	
Sugar Island	2018-19 Douglas Davidson	

With the end of the 2018-19 Fiscal year, the Clubs need to look at getting their Non-Profit Tax forms completed and submitted with 5 months of the close of the year (June 30, 2019). The required Form 990 can be completed on-line within 5 minutes if the Lions Club total receipts are less then $50K and they have reported the previous years. This is a Federal requirement; failure to complete the required form could/will result in your club losing their non-profit status.

As of June 26, 2019, we are down 41 members for the 2018-19 Fiscal Year. We as a District added 123 members however lost 164 members with 142 dropped and 12 deceased. We currently have 1434 Lions Members in District 10. We do not have an issue with recruiting new members however we do have an issue with keeping our members. We need to address this issue and find

out why they are leaving.

We have launched the District Defense Against Diabetes (D.A.D) initiative March 1st as planned with the 1st set of "Dining with Diabetes" program being with conjunction with Michigan State University Extension in Baraga, Mi. Project Coordinator Gary Perala (Negaunee Lions) and Project Administrator Scott Kwarciany (Bark River Lions) are the two individuals that who will oversee the LCFI Grant.

The overall goal of D.A.D. is to prevent and improve the lives of people living with diabetes. There is no cost to the clubs or the participants since the D.A.D. project is funded by the LCIF grant. We will be offering free community screenings, dining with diabetes, health fairs and community education to help tackle this growing problem. We have partnered with MSU Extension, American Association of Diabetes Educators AADE, and Upper Peninsula Health Care Solutions UPHCS. We are targeting participants with high rates of obesity and diabetes in our region.

The District is in the process of setting up a District Wide Service Project at the U.P. State Fair this year (August 12th – 18th). We are going to be conducting Project KidSight Screenings along with Diabetes screening. We are looking at this not only as a "Service Project" but also a Membership Drive. What better way to show the public what the Lions Clubs do for their respective communities. After all, we never tell anyone what we do. We are looking at Individual Lions Clubs taking a half day at the Fair and conduct the screenings. When you come, bring along your club's banners and a poster board showing your contributions over the last year with a grand total. The current schedule is on the District Website under the Project KidSight. Contact myself or Peggy Linderman to schedule a time. Time slots are taken by the first come basis. Lets us all made a difference this year and let the public know who we are.

I have the 2019-20 District Lions Pins available for sale. The cost is $3.00/each or $5.00 for 2. Please contact you individual Lions Clubs to place an order to save on shipping charges.

This year the Lions Clubs are being asked to not only submit their Monthly Membership Reports but also the Service Activities Report documenting the event and manhours. Lions Clubs International uses this information to obtain grants from Foundations such as the Bill Gates to assist LCI in our initiative's.

Upcoming Events

Jul 4-9, 2019	Lions Clubs International Convention	Milan, Italy
Aug 2-3, 2019	Council of Governor Meeting	Mt. Pleasant, MI
Aug 3, 2019	LMSF Hall of Fame Banquet	Mt. Pleasant, MI

Feb 15-16, 2020	Council of Governors Meeting	Flint, MI
May 15, 2020	Council of Governors Meeting	Holland, MI

District Governor Goals for 2019-2020. The District Governors Goals fall into one of five categories;

1. Global Action Team Commitment
2. Leadership
3. Membership
4. Service
5. LCIF

The Leadership goals focus on: Club Officer Training, Zone Chairpersons Training and learning by every Lion. The Lions Learning Center offers self-training Club Officer modules, supporting Club Officers that are unable to attend a district level training. E-Books are available for the Club President/Vice President, Club Secretary, Club Treasurer, Club Membership Chairperson and the Club Service Chairperson.

LEADERSHIP: CLUB OFFICER TRAINING

In the 2019-20 fiscal year, 100% of the incoming Club Officers will complete Club Officer Training by working with the GAT Team and Vice District Governors as well as Zone Charis in insuring that the incoming & existing Club Officers receive the necessary Training to accomplish their respective positions by schedule training in the Regions around the District, send by email the available e-books to the new officers prior to training. Schedule internet conference training as an alternative.

REGION AND ZONE CHAIRPERSON TRAINING

In the 2019-20 fiscal year, 100% of the incoming Zone Chairpersons will complete Zone Chairperson training by working with the GAT Team and Vice District Governors to ensure that the Zone Chairpersons understand their jobs by conference calls and zone chair meetings at 2-3 locations (5 Regions & 10 Zones) as well as providing them the link to the available e-books on LCI. Also provide the Zone Chairs with my District Goals as well as the topics to discuss at the semi-annual Club Visits.

LEARNING FOR EVERY LION

During the 2019-20 fiscal year, the district will add 1 Guiding Lion to the roster to support the development of new clubs and clubs that are struggling by working with the GLT and Zone Chairs to identify potential Lions who may desire to serve in this capacity. Provide the necessary training materials from LCI and assign them to a Club. Write news articles on the benefit to our district and clubs to have and use guiding Lions.

LIONS LEADERSHIP INSTITUTES

During the 2019-20 fiscal year, the district will identify 5 qualified candidates to apply for local

and Lions Clubs International sponsored institutes (Lions Leadership Institutes) in our area by working with the Zone Chair and the Club Presidents in identifying Lions who desire to move forward in the Association by encouraging the membership to attend District, State and International Training as well as on-line LCI training such as the Leadership Institutes, USA/ Canada & State Forums, Emerging Lions Leadership Institute (ELLI) and Regional Lions Leadership Institute (RLLI). Amend the District Budget to include money pay the costs of the Training. Insure that the 2nd VDG attends the USA/Canada Forum.

CUSTOM IMPACT
Set a regular monthly schedule with the GAT team and Zone Chairs to reviews the District goals via conference calls to ensure that we stay focus on the Years Goals.

The Membership Goals focus on: invite for impact, new club development and member retention.

INVITE FOR IMPACT: New members in Existing Clubs
Encourage Lions Clubs to set clear service goals and identify the potential impact to the community. Remind clubs to share this information with prospective new members to excite them about their impact when serving with the Lions. We will use and promote the membership resources to achieve our goals (i.e. Just Ask! Guide, Club Membership Chair Guide with induction ideas, Community Needs Assessment and Membership Development Grants.

The District will add 73 members by the end of the 4th quarter (Q1-30, Q2-15, Q3-12 & Q4-16) based on the historical data trends. Action Items include;
1. The District will establish 1 club branch.
2. The District will induct 20 new Lions under 40 years old.
3. The District will convert 4 LEOS to Lions.
4. The District will organize at least 1 membership Growth event (UP State Fair & Diabetes Screenings)

NEW CLUB DEVELOPMENT
Look at chartering new Specialty Lions Clubs. A specialty Club member share special commonalities such as interests, a profession, a service cause or culture. Identify groups of friends or associations who share a common interest and have them charter a Specialty Club. By the end of the 4th quarter, the district will start 1 charter club with a minimum of 28 charter members.

The District will attempt also attempt to establish a Specialty Club at the YMCA after the chartering of the new Lions Club (Bay de Noc Lions).

Membership Retention; Increasing Member Engagement
By the end of the 4th quarter, the district membership drops will not exceed 100 members. We need to remind Lions Clubs that member satisfaction and engagement contribute to the overall

experience of our members. We need to work together to ensure every member feels as if they are a part of our Lion family, dissolve any club conflicts and promote an overall positive experience for each one of our Lions.

In addition, we need to use technology to communicate the tools available to the clubs for membership recruitment and retention such as conduction exit interviews. Use of email and newsletters to keep membership informed what the individual clubs and District is doing for the members that are unable to attend meeting on a regular basis's or are vacationing. Additionally, talk with the clubs about what they are going to have to do to attract the younger age group and the necessary changes such as changing the way we conduct our meetings using new technology and inform the public of our organization using Facebook and Websites the membership should be encouraging to wear their Lions pin also as it starts conversations. The District currently offers stickers and patches.

NET GROWTH GOAL
Based on the District Goals set above, the District should end the Fiscal year with a positive membership goal of 1 member changing the trending decline in membership.

CUSTOM IMPACT
Encourage Lions Clubs to host Open House Events to invite people to see firsthand on what the clubs do and how they contribute to their community. Additionally, start to utilize the local media as well as various websites to help get the word out about the Clubs donations and activities.

The Service goals focus on people served, service activities and clubs reporting. By setting these goals we can contribute to the LCI Forward Goal of serving 200 million people per year.

PEOPLE SERVED: BENEFICIARIES OF YOUR SERVICE
Not only can we serve the youth, but we can include them in our service projects too. Increase your impact of people served by asking your local youth groups and Leos to participate in your projects. Many of them are willing to assist, they just need to be asked. Look at the groups that you donate to

In the 2019-20 fiscal year, the District will serve 7000 people which will include 3000 youth under 18 years of age by encourage the Lions Clubs Secretaries to track and report their club service hours. Many of the clubs with the District do not report or know that they should be submitting an Activities report. Also discuss with the membership in how and what to track to effectually track the service hours. There are service resources available to the Lions Clubs to achieve our goal (i.e. Service Project Planners, Club and Community Needs Assessment, Developing Local Partnerships and Fundraising Guides.

SERVICE ACTIVITIES
Service projects focused on the new global causes are a great way to engage with potential new members and reenergizing the Lions Club's service projects. By utilizing the Service Activities

Launchpad to download resources, the club has a great way to gather resources to help the clubs complete service activities.

In 2019-20 fiscal year, the District will complete 3 service activities. I will also educate the Lions Clubs about our global causes and encourage 25 clubs in the district to complete at least 1 Diabetes project this year in their communities. This will be accomplished by working with the Global Service Team (GST) to identify and arrange district wide projects. These projects will then have to be sold to the individual lion's clubs by efficient communications and club visits. The District Leadership (DG, 1VDG, 2VDG, GAT and Zone Chairs) will have to be onboard and encourage the membership to participate.

SERVICE ACTIVITY REPORTING: SHARE YOUR IMPACT ON MYLION & MYLCI
Sharing the Districts impact is important to members, clubs and our organization. It allows us to chart our progress as an organization to inform prospective partners what services that we provide.

In the 2019-20 Fiscal Year, 70 % of the Lions Clubs of the District will report their service projects by either using MyLion or MyLCI applications on the LCI website. We will accomplish this by utilizing the District GAT Coordinators that will help provide training and provide the Clubs with the "Why Service Reporting Matters". The District Leadership will monitor the Lions Clubs monthly reporting and follow-up with the Clubs that are not reporting by utilizing a District Administrator to oversee this initiative. The District Administrator with have the GAT and Zone Chairs as part of his/her steering committee.

CUSTOM IMPACT: DISTRICT WIDE SERVICE PROJECTS
Currently planning on conducting two large scale service projects with the District that hopefully will involve the majority or at all the 55 Lions Clubs with the District. First, plan on scheduling a 7-day (10-hour Days) Vision Screening at the U.P. State Fair and secondly, conduct Diabetes and Education across the district in cooperation of existing organizations via Health Fairs and so forth.

The Lions Clubs International Foundation LCIF goals focus on participation, fundraising and advocacy.

PARTICIPATE: ENGAGING LIONS TO SUPPORT LCIF
The participation in LCIF is the cornerstone of the Campaign 100. The clubs support to engage more Lions as donors to LCIF will make our effort to raise $300 million in three years more successful. As more and more Lions support LCIF, their fellow Lions will be motivated to do the same. We set an example as leaders and many Lions will also follow our actions.

By the end of the 2019-20 fiscal year, 90% of the Lions members will understand the impact of LCIF and demonstrate their support with a donation to LCIF no matter how small. I like to see every individual Lions member contribute $2 every week to LCIF raising at least $1000 by the

end of the Fiscal Year. $2 is less that a cup of coffee or a soda. Please consider making this an annual donation. Every dollar that goes to LCIF goes to where it is intended. None of the monies received pay any Administrative Cost as this is accomplished by our investments.

FUNDRAISE: CAMPAIGN 100; LCIF EMPOWERING SERVICE
By setting fundraising goals we motivate Lions to support Campaign 100 and increase donations to LCIF, so more funding is available to empower Lions Service.

During the 2019-20 fiscal year, I will partner with the LCIF District Chair to raise $16,000 to support Campaign 100: LCIF Empowering Service. In addition, I will secure 1 Model Club commitment to Campaign 100. A Model Club is a club that commits $750/member over a 3-year period. I also will attempt to get Lions Clubs of District 10 to present 6 members with a Melvin Jones Fellows this year.

We will accomplish this goal by working with the GAT, VDG, Zone Chairs and the LCIF Coordinators to continue to educate the Lions membership about the importance of their support of LCIF by educating them of all the support our district has gotten over the years as well as around the world. To drive the point home, make sure that the clubs are aware that LCIF is 50-years old and has given out over $1 Billion in Aid through various grants. Additionally, let them know that all monies given to the organization goes to do the work of the foundation and nothing goes to the Administrative cost. Also, inform the membership that they as individual as well as family and friends can make a tax-deductible contribution in a lump sum or pledge of a period. If they donate that the donation shows up under their Lions Club however they control that money as far as were it goes in the Foundation and the giving of an MJF.

ADVOCATE: PROMOTION OF LCIF GRANTS TO SUPPORT SERVICE PROJECTS
Advocating for LCIF builds awareness of the Foundation's role in Lions Service. By setting these goals, we help to support and amplify the importance of LCIF and the process. It allows use to educate the membership about the ways to support our work as well as to get support from LCIF in the form of Grants.

During the 2019-20 fiscal year, 90% of the Lions Clubs in the District will report their service projects via either MyLion or MyLCI. We will accomplish this by working with the GAT, VDG, Zone Chairs and the LCIF Coordinators to continue to educate the Lions membership about the importance of their support of LCIF by educating them of all the support our district has gotten over the years as well as around the world. To drive the point home, make sure that the clubs are aware that LCIF is 50-years old and has given out over $1 Billion in Aid through various grants. Additionally, let them know that all monies given to the organization goes to do the work of the foundation and nothing goes to the Administrative cost. Also, inform the membership that they as individual as well as family and friends can make a tax-deductible contribution in a lump sum or pledge of a period. If they donate that the donation shows up under their Lions Club however they control that money as far as were it goes in the Foundation and the giving of an MJF.

CUSTOM IMACT: EDUCATION

We will Educate the Lions membership about the LCFI grants (12) that are available to the Local Clubs as well as the District and State based on a number for factors such as Matching, Diabetes, Sight First, Disaster, and Community Impact Grants. Communicated this via emails, website articles and the use of the VDG's, Zone Chair's and LCIF Coordinators visits to the various clubs that have been assigned to them. During their visits talk to them about the grants that we have currently and historically received based on a compiled list provided by LCIF and the LCIF Coordinator.

Respectfully Submitted,
Bruce LaBelle
District Governor Elect

1st Vice District Governor Joe Maki:

SAME AS MY REPORT IN APRIL!!! I love the opportunity to visit SD 10 LIONS Clubs. Each Club is unique and I have been treated very well. I feel the visits are appreciated and very important to keep the lines of communication AND support from OUR DISTRICT open. It is obvious that there are several SD 10 Clubs that are struggling due to the lack of attracting younger members, loss of members, aging membership and in lack of technological ability. However, I am also amazed at how strongly these Clubs feel about their community and LIONISM. SD 10 has (as of this writing) has a NET LOSS of 35 members for LIONS Year 2018-'19 which is a trend in numbers AND in the trend to "dump" LIONS @ the end of the year.

Since the April 2019 Cabinet meeting I have been very busy finishing up visiting the Club's I was assigned to visit during my term as 2nd VDG. I have visited the following Clubs: Manistique Lakes, Chatham, Wells, Munising, Sugar Island, Houghton, Engadine-Naubinway and Delta-Menominee Heart-of-the-North. I also visited Bark River and Stephenson to perform Officer Installations/New LIONS Inductions. As you can imagine this requires a lot of travel but I don't mind.I travelled approximately 1,434 miles during these visits. I finally got in touch w/the Kinross LIONS but I haven't got a firm date yet to visit.

I have previously provided "When I visit a LIONS Club, these are the Talking Points" and the following documents: IRS form 990EZ and State of Michigan Annual Report of Non-Profit Corporation, LCI "Childhood Cancer", Club Visit form w/questions RE: Club Health (which is forwarded to the DG and LCI), Club Demographics, SD 10 "Defense Against Diabetes" grant, my Resume, Service Activities reported by the Club to LCI, LCI "Campaign 100", LCI "Global Causes", LCI Club invoices/ paid?, LCI Club Roster, LCI Membership Stats page, LCI "Marketing Your Club", LCI PU 101, LMSF page AND HAVE FUN!!!.

I have created a very extensive electronic file of all of my Club visit activities during the past year as 2nd VDG to help the transition for the person elected in LIONS year 2019-'20. It has become aware to me that these visits should be coordinated and, where possible, joint visit w/the Zone Chair for the Club.

I have worked w/ 1st VDG La Belle in planning for the next LIONS Year, such as; Committee and Zone Chairs, Budget and training. I have scheduled a visit in September 2019 to Spokane, WA. For the USA-Canada Forum w/ generous $$$ assistance from SD 10, THANK YOU!!! I have scheduled a visit this summer to Leader Dog which is expected of the 2nd VDG. I have been advised that SD 10 is a "special partner" of Leader Dog. I plan on attending COG in May, 2019.
Respectfully submitted to SD 10 Cabinet, LION 1st VDG Elect and Zone Chair Joe Maki

2nd Vice District Governor Gary Binzer:

Honorary Committee Report:

Zone Chair Reports:

Region 1-Zone 1 (Bessemer, Mountain, Ottawa, Tri-Township and Baraga Township Lions Clubs):

Region 1-Zone 2 (Zone Chair Wells LION Paul Grahek: Chassell, Houghton, Keweenaw, Lake Linden-Hubbell and Range Lions Clubs):

Region 2-Zone 1 (Zone Chair Gladstone LION 1VDG Joe Maki: Champion, Crystal Falls, Iron Mountain-Kingsford, Republic and Vulcan-Norway-Loretto Lions Clubs):
Champion LIONS: Net loss for LIONS Year 2018-'19 is -2, they haven't submitted the PU 101 despite numerous contacts and offers to help if needed, they have paid all International and SD 10 invoices, they haven't reported Service Activity in during LIONS Year 2018-'19. They received one (1) visit this past year and were a very friendly Club.
Crystal Falls LIONS: Net loss for LIONS Year 2018-'19 is -1, they have submitted their PU 101, they have paid all International and SD 10 invoices, they have reported Service Activity in during LIONS Year 2018-'19. They received one (1) visit this past year and were a very friendly Club.
Iron Mountain-Kingsford LIONS: Net gain for LIONS Year 2018-'19 is +8!!!, they have submitted the PU 101, they have paid all International and SD 10 invoices, they have reported Service Activity in during LIONS Year 2018-'19. They didn't receive a Zone Chair visit this past year despite attempts to setup a visit.

Republic LIONS: I finally was able to contact the Club Secretary and have setup a Club visit in September 2019. They report that they are struggling. They have paid all International and SD 10 invoices. The Club has a net loss of 1 for the year. They haven't reported any Service Activities during this LIONS Year. They have submitted their PU 101 for the 2019-'20 LIONS Year.
Vulcan-Norway-Loretto LIONS: Net loss for LIONS Year 2018-'19 is -1, they have submitted their PU 101, they have paid all International and SD 10 invoices, they reported Service Activity in during LIONS Year 2018-'19. They received one (1) visit this past year and were a very friendly Club.
Respectfully submitted to SD 10 Cabinet by SD 10 1st VDG/Zone Chair/Gladstone LION Club Secretary Joe Maki

Region 2-Zone 2 (Zone Chair Ishpeming LION Daniel Perkins: Chocolay Township, Ishpeming, Marquette, Negaunee and Skandia Lions Clubs:

Region 3-Zone 1 (Zone Chair Stephenson LION James Svinicki: Carney-Nadeau, Daggett, Ford River, Menominee, Powers-Spalding and Stephenson Lions Clubs):
visited only 2 clubs since the convention. both with minor issues, all sorta resolved.

Region 3-Zone 2 (Zone Chair Bark River LION Scott Kwarciany: Bark River, Brampton Township-Days River Area, Escanaba, Gladstone, Delta-Menominee Heart of the North, Rapid River and Wells Lions Clubs):
All clubs in the zone are in good health and in good standing with Lions International and Single District 10. All clubs continue to be strong in membership and are actively participating in service projects to support their communities and LCI/SD10 projects.
The Bark River Lions Club hosted their "Bronco Breakfast", a fundraiser for scholarships to BRH High School. They are also continuing preparations for their 44th annual off road races in August.
Lauren Kwarciany of Bark River (in the zone) has been selected to participate in the Lions of Michigan All State Band or 2019. She will be the only U.P. SD10 representative in the band this year. She leaves for the International Convention and tour of Italy on July 1st and will be attending the cabinet meeting at Bay Cliff on June 30th.
The Delta Menominee Heart of the North Lions Club installed new officers on June 6th and I had the privilege of installing their officer for the 2019-2020 year.
I have visited the Delta Menominee Heart of the North, Bark River, Wells, and clubs in the last quarter and shared with them the news from the District.
This is my final Zone report as a new zone chair has been selected to represent this zone. It has been a pleasure serving as zone chair and I wish the clubs continued success with the next chair.

Respectfully submitted,
Scott Kwarciany, Zone Chairman

Region 4-Zone 1 (Zone Chair Gladstone LION Richard Jones: Chatham, Gwinn, Munising, Perkins, Rock and Trenary Lions Clubs):

Region 4-Zone 2 (Zone Chair Newberry LION IPDG Jim Whalen: Chippewa, Engadine-Naubinway Germfask-Seney, Manistique, Manistique Lakes and Newberry Lions Clubs): Zone Report, Region 4, Zone 2

Met with Engadine-Naubinway Lions Club Secretary, Lion John Batchelder while visiting the Naubinway community. Met John at the Snow Mobile Museum. We talked for a good length of time, discussing the status of the Club, membership and upcoming projects. No significant issues came about warranting involvement from me or the District.

Attended two breakfast meals hosted by the Manistique Lakes Lions Club. The overall assessment of the Club is good, and I met and spoke with all officers. They are planning on their involvement with the 4th of July parade, Curtis Day activities, and continued breakfasts being hosted once a month. Very active and involved Club.

As usual, meet with the Newberry Lions Club twice monthly. The Club is on summer hiatus, but decided to meet once a month to maintain continuity. Still an active Club, with struggling membership and on-going involvement. Normally, the same members doing the community work. Club supports the District and Lions International with projects.

Germfask-Seney Lions Club is pretty much out there. I am no longer receiving phone calls from members nor officers. My face to face contact is now avoiding me when I attempt to contact her. The sale of their Clubhouse may alleviate their major concerns. I heard mention that they may have a buyer, but no other word from them. We have to make a determination with this Club, disband and seek their members to other Clubs within the Zone.

I have made telephonic contact with the Manistique Lions Club, specifically Lion Mark McCune, Club Secretary. He mentioned that the Club is maintaining, but that is all it is doing. Still have local involvement, and supporting the District with financial donations.
Respectfully submitted…

PDG Jim Whalen
Zone Chairman
Region 4, Zone 2

Region 5-Zone 1 (Zone Chair St. Ignace LION Gary Binzer: Drummond Island, Kinross, Les Cheneaux, Pickford and St. Ignace Lions Clubs):

Secretary: Richard Morrison --drmorrison@pickford.org

*Saint Ignace Lions, President: Rick Perry-rickperryarchitect@gmail.com
Secretary: Tracy Movalson t.movalson@yahoo.com

* visited

All clubs have been sent two letters of introduction and request for a meeting Schedule. One was sent in August and the other in October 2018.

It has been a Privilege and Honor to serve as Region 5-Zone 1 Chairperson. It is my first attempt at this opportunity and hopefully not a disappointment. My goal has been and continues to be a liaison between the clubs in my region and the Governor of Single District 10.

Region 5-Zone 2 (Zone-Chair Sault Ste. Marie LION Craig Krouth: Brimley, Dafter, Rudyard, Sault Ste. Marie and Sugar Island Lions Clubs):

I had hoped to end my tenure as Zone Chair with great news of membership expansion in Region 5, Zone 2 but, unfortunately, the Spring was not kind to us and we lost several great members. R5Z2 should finish with 99 members, 2 short of where we started. Last week I visited the Sugar Island LC and installed their officers for the 2019-2020 year. I have also been working with several clubs to get their PU101s submitted via MyLCI. I am happy to report that most of the clubs will have new leadership for the next year, as newer members are becoming more

involved, which is great for the district. Most of the clubs have started either a large summer fundraiser or a service project now that the weather has started to cooperate.

This will be my last report as Zone Chair for R5Z2, as I am transitioning from ZC back to Club President. Lion Bill Munsell of the Sault Ste. Marie club will be taking over and I plan to work with him on a smooth transition. It has been an honor and a privilege to serve the District the past 2 years and I look forward to working with you all in my new capacity.

Single District 10 Leadership Team:

Global Leadership Team Coordinator SD-10 (Chair Bark River LION PDG Tom Lanaville):

Global Membership Team Coordinator SD-10 (Chair Gwinn LION PDG Bill Rowe):
We were doing well until June came around.

As of 23 June the district was down 38 members for this Lions year. Thirty of those were in June including 2 that transferred and one that moved.

What made matters worse, we only added 3 new members during that time. The reason for the drops were confusing, seven were for nonpayment of dues while 16 were resigned in good standing. Most drops in June are normally for nonpayment of dues,

We all need to stress the importance of club growth. We need to keep our members informed about the great things we and other Lions are doing.
Every member needs to get a copy of your meeting minutes. It is not too hard to do if you use e-mail.

Global Service Team Coordinator SD-10 (Chair Vulcan-Norway-Loretto LION PDG Matt Doney):

We as Lions are very good at doing service projects. We have room to improve on our reporting of service projects. As of last week we had 27 clubs report activities in the past year. That means 28 clubs have not reported any activities. I do not believe that less than half of our clubs are active. Please select and report a Club Service Chairperson. This will help us make sure that our activities are reported to LCI.

There was a statewide service project held at the MD11 convention in May to benefit Maggies Wigs for Kids.

We are still planning district wide service projects for the coming year. If you have any ideas please let me know. As always, encourage your clubs to try new "hands on" service projects.

Liaison (Chair Brampton Township-Days River Area LION IPID Jenny Ware):

My report for the Liaison Committee is the PCC Justin Faber has received endorsement from the Executive Officers at LCI and will be on the Ballot for International Director 2019-2021!!!! Please share this grreat news!!

Single District 10 Committees:

All State Band (Chair Days River Area LION IPID Jenny Ware):.

Single District 10
2019 ALL STATE BAND DONATIONS

Club	Admin	Student
Bark River	25.00	
Daggett	100.00	
Dafter	100.00	
Delta/Menominee	200.00	
Drummond Island		125.00
Ishpeming	100.00	
Manistique Lakes	100.00	
Marquette	100.00	
Negaunee	50.00	
Ottawa	50.00	
Rudyard	100.00	

Sault Ste. Marie 200.00 – in Memory of PDG Don Myers, All-State Band Chair 10 years
Sugar Island 75.00

The Lions Of Michigan All State band originated in 1978 when they traveled to Japan to play for incoming International President, Michigan's own, Ralph Lynam!! The band has missed only one convention since 1978! They chose to not attend the International Convention in Busan, South Korea in 2012.

This year, the band will be attending its 42nd International Convention as the All State Band travels to Milan, Italy for LCI's 102nd International Convention with just under 55 students. This includes a student from our own District, Lauren Kwarciany from Bark River Harris!! Thank you to all of the Lion's Clubs that supported Lauren in this exciting adventure. As you can see, I do not have all of the donations by the individual clubs.

Thank you Lions of SD10 for your ongoing support of this long tradition of student support!

Yours in Service,
IPID Jenny Ware

Bay Cliff Health Camp (Co-Chairs Gwinn LION Kris Rowe and LION PDG William Rowe):

Respectfully submitted by PDG Bill and Lion Kris Rowe
For 2019 giving to Bay Cliff is $15,697 in donations from UP Lions Clubs. Thank you for the donations!

Thank you for have the cabinet meeting at Bay Cliff!

July 27th Is Gwinn Fun Daze, our 5k walk/run this year proceeds will be going to Bay Cliff Health Camp. For more information, you can go to gwinnlionsclub.org. We are always looking for vendors; this is an opportunity for your club to generate revenue.

If you have interest in having a Bay Cliff presentation for your club please contact Bay Cliff Health Camp. 906-345-9314. Clare, the new director would like to visit all of the Lions Clubs. We did a work bee at Bay Cliff and got some painting done. We will make this a year event and maybe try to have a work bee in the spring and in the summer.

Constitution and By-Laws (Co-Chairs Sault Ste. Marie LION Bill Munsell, Marquette LION PCC Dr. Sara Doubledee and Sault Ste. Marie LION PDG Jerry Stephens):
I offered to read the rules as printed in the program booklet or we could accept them as written. There was a motion to accept the rules as printed with a voice vote of approval.

Convention SD-10 (Co-Chairs Marquette LION PCC Sara Doubledee and LION Joe Baczkowski):

The 2020 District Convention will be held in Sault Ste Marie on April 24 – 26, 2020 at the Kewadin Hotel and Conference Center in Sault Ste Marie. Hotel room rates will be $80 for Single/Double, $90 for Triple and $100/Quad.
As you know, Lions Munsell, Krouth and I are working to help keep the Brimley Lions Club not only viable as a club, but also spur interest among the Lions in District activities. To that end, the Sault Ste Marie Lions invited the Brimley Lions to take part in the convention. I am happy to report that the Brimley Lions Club has agreed to serve on the convention planning committee!
PID Jennifer Ware has secured ID Connie LeCleir-Meyer (Wisconsin) as the International Guest for our convention. I have had the pleasure to meet Lion Connie in the past, and I am certain that she will make every bit as positive an impression as have all the fine directors from the great state of Wisconsin. I will look forward to her visit.

So we have a date, a location, a room rate, as well as an International Guest. Beyond that there is not much else to report.
Sincerely Yours In Service, PDG Jerry Stephens

Diabetes Awareness and Action (Chair Stephenson LION James Svinicki):
donations from 3 clubs ($300) request for assistance from 2 people totaling $443 so not to bad, may need to send reminder at the new year as the fall is usually when we get the most requests for help.

Environmental (Chair Stephenson LION James Svinicki):
nothing to report at this time

D.A.D Defense Against Diabetes (Chair LION Gary Perala)
D.A.D. Defense against Diabetes Report
DAD TEAM:
Gary Perala Project Chair / D.A.D Board of Directors Advisory Council
Scott Kwarciany - Fund Administrator
Bruce LaBelle - District 10 Governor

D.A.D District 10 steering committee in place as well as my own personal advisory committee.
I will be attending the DAD board meetings in Lansing on a regular basis to keep a presence from the U.P downstate.
I have been working very closely with Diane Wehby (Project Chair) & Greg Wehby (Past District Governor) in District 11C1. Weekly conference calls!
Gary attended Dining with Diabetes class in Baraga May 22nd and first D.A.D Board Meeting in Lansing June 6th.
THIS IS WHO WE ARE AND WHO WERE NOT:
The Defense against Diabetes grant focuses on the PREVENTION of developing Type 2 Diabetes. Our priority focus areas include risk factor screening using either the ADA or CDC's paper methodology and then education that has been found to decrease the risk factors. The education includes programs on healthy eating, prevention, stress management and exercise.
If a person has Type 2 Diabetes, a D-PATH or Dinning with Diabetes course would make sense.
We have partnered with Michigan State University (MSU) and there programming promotes healthy lifestyles and empowers UP residents to take control of their health. Participants learn how to build nutritious diets on a budget, living well with diabetes, carbohydrates and sweeteners, fats and sodium, and preparing healthy recipes. We will never cure Diabetes and we are not in the blood business

We raise awareness. We perform screenings and We provide educational programs!

UPPER PENINSULA D.A.D ZONES:
North, South, East, West and Central
Zone Reps - Tracy Movalson, Jim Svinincki, Chris Smith and myself
Diabetes Paraprofessional Level 1 Certificate Program with AADE / 5 total

KEY WINS TO DATE:
Dinning with Diabetes course with Michigan State Extension / Anita Carter
May we had 18 participants signed up for our first class in Baraga with KBIC Health System
MSU has added two more Health & Nutrition Educators in our District to help accommodate our needs Breanne Carlson & Tracie Abram.
Dinning classes scheduled - August - Ontonagon (Aspirus) & Marquette, October - Newberry & Manistique, November - Escanaba & Marquette and January - Ironwood
All Marketing materials / screening process developed
Zone Reps

SCREENING PROCESS:
Blood Pressure, ADA Risk screening, postcard and follow up
The A.D.A. screening tool can help determine risk for developing diabetes later in life
FUTURE:
Get Clubs excited and involved / Health Fairs
Travel to Clubs with Governor and Leadership
State fair health fair
Meeting with UPDON
Referral program
Finalize Tri-Fold brochure
Find 2 more zone reps
Regional DAD meetings in District 10
Meet with providers and health professionals in our communities
Create D.A.D matrix and spreadsheet for tracking all the necessary data required by our grant and for any future grants! DATA MOTIVATES!
Create PowerPoint presentation to ensure all educators and zone reps stay on script.
IT'S IMPORTANT TO KNOW YOUR SCORE!

Eversight-Michigan (Chair Sault Ste. Marie LION Bill Munsell):
Here is the Eversight report taken from our June 22nd Board meeting.

The report represents Eversight activities from January 1st. to May 31st 2019.
In addition, corneas donated since January 1st in District 10 totaled 21 and four people received cornea transplants.
Our district has donated $8260 as of June 18. This exceeds to $8130 donated in FY2017-18. Great job!!!
The Gift of Sight Golf Classic on June 15 should net $30,000 for Eversight. Bowling for a Brighter Tomorrow is August 10,2019
at Woodland Lanes in Livonia. Bowlers interested can call Alex Teska at 734-780-2675 or ateska@eversightvision.org to register.
Lion Bill Munsell

Guiding Lion (LION PDG Don Wojakowski)

Republic 5-13-19

9 members,all present (all in their 80's) Bill and Lyn Rowe where also present. Bill and I gave a talk on how to keep their club going. They are to keep going for a year. They have already voted to shut down. Their club inventory has been put up sale. Their money will be donated to other non profit groups.

Bessemer 6-12-19

12 members 5 present

I gave them information on how to use newspapers and radio for free advertising for Lions events. I also gave them some ideas on how to try to get new members at their fund raiser They only have one fund raiser for the year. They are a happy club. They have a few prospective new members on line. They are trying to keep the club going.

Leader Dogs (ChairsMarquette LION Gretchen Preston):

SD-10 Leader Dog Chair Report
June 28, 2019
Respectfully Submitted by Lion Gretchen Preston/ Leader Dog Chair Contact via email: prestongretchen@gmail.com

Thanks to SD-10 clubs for your annual generous donation to Leader Dogs for the Blind. 80 years of financial support from Lions has built innovative, high tech client programs and state-of-the art veterinary care for the dogs. Thanks Lions, every dollar donated makes a difference!

Leader Dogs for the Blind has created a series of webinars on a variety of topics. I have posted invitations and links to archived webinars on the district website. To date, topics have included; "the Home Delivery Option." a new program where your Leader Dog and trainer will come to the client, training one-on-one in the client's environment. "Summer Experience Camp." A weeklong camp for blind and partially sighted teens where they experience; tandem bike riding, whitewater rafting, and rock wall climbing. Teens improve their O & M skills and learn more about the guide dog option. "The Wonderful White Cane." This webinar helps users to improve their cane mobility skills.

When a client comes to LDB for guide dog training they are provided in addition to their dog, the latest high-tech talking GPs unit. Each guide dog client receives a Victor Reader Trek free of charge. Trainers work with the client and their newly issued Leader Dog to learn how to use the dog and GPS in tandem for mobility and orientation. Clients learn to set walking routs, create their own landmarks and navigate in open areas with the aid of the GPS. The combination of the dog and the GPS has proven to be the best combination for safe, independent mobility. For more information and to learn about the various applications of the Victor Reader Trek, visit; www.leaderdog.org/ blog or go directly to www.humanware.com.

Leader Dog Floyd, DG Bruce, and I visited 3 Escanaba elementary schools on May 29th, speaking to over 640 students and staff about leadership and service. The purpose of the presentation was to stimulate interest in the Bay de Noc family Lions Club. That evening, we gave a public presentation at the Wells Township Hall where many members of the newly formed Bay de Noc Lions Club were present. Floyd took hundreds of pets during the Marquette Lions Club White Cane fund-raiser the week of June 11th. We represented the Lions Club at the Marquette Resource Fair at the Lakeview Arena on June 21st. We will be joining PDG Jerry Stephens and members of the Saulte Ste Marie Lions Club for the International Bridge Walk and re-dedication of the Friendship Arch on June 29th. On July 6th you will find us in Crystal Falls at the Lions Club Health Fair, July 26th We will serve at the Blueberry Festival in Marquette, and

plan to march in the Gwinn Lion's Fun Days Parade on July 27th. Bring your pup and march with us behind the Leader Dog banner!

Lions Club International Foundation "LCIF" (Chair Sault Ste. Marie LION PDG Jerry Stephens):

Through June 26, 2019, clubs and individuals from our District have donated a total of $18,004 to LCIF. By comparison, at the end of June 2018 we had over $17,566.80 in donations. I am proud to say that the clubs and Lions of District 10 have, for the 2nd consecutive year, set a new high water mark in donations from District 10!

I would like to thank you, DGE Bruce, 1VDGE Joe as well as PID Jenny for continuing to promote the Foundation during your club visits, and the important work it does. I believe that our efforts are vital to not only the increased giving, but more importantly new giving from clubs and Lions who might not have donated in the past.

I can say with certainty that there are new names on the monthly reports I receive from LCIF, perhaps not so much in clubs, but rather in Lions. This is proof positive that our efforts are paying dividends. District 10 holds steady with LCIF global statistics at about 2.2% of Lions in the district donating personally to LCIF. I hope to see that percentage increase dramatically in Year 2 of Campaign 100.

I have an email communication from PIP and Campaign Chairperson Dr. Jitsuhiro Yamada that confirms that Campaign 100 funds raised to date total US$105,591,193. While the campaign is certainly on track as year 1 draws to a close, this does not imply that achieving the final goal of $300M is a foregone conclusion. I am re-committing myself to this important cause, and I am certain that the leadership as well as the Lions of District 10 will also do so!

It is my honor to serve District 10 and LCIF.
Sincerely Yours In Service,
PDG Jerry Stephens

LCIF District Coordinator

MichiganLions Service Foundation (Co-Chairs Drummond Island LION PDG Duane Goltz-1 year term and Vulcan-Norway-Loretto LION PDG Matt Doney-2 year term):
We are looking forward to another great year. We have our annual meeting and trustee training scheduled for August 3rd. Later in the day is the annual Hall of Fame Banquet. Both will be held

at the Comfort Inn & Suites in Mount Pleasant. If anyone is interested in going let me know and we can car pool.
Thank you to the clubs that support the foundation. Please encourage your club to make an annual donation to the Lions of Michigan Foundation. Even if your club can only spare $20 it will show support from the clubs in SD10.

Mint Distributor (Chair Escanaba LION DG Mike Kobasic):

Nominations & Elections (Co-Chairs Marquette LION PCC Dr. Sara Doubledee and Sault Ste. Marie LION PDG Jerry Stephens, Bark River LION 1VDG Bruce LaBelle):
No Report

NWALL (Chair Gwinn LION Lee Rowe):
Flights continue to be made to help those who need transport out of the Upper Peninsula to hospitals in many areas. I am impressed by the selfless work of these pilots who fly at all times when weather permits. The chief pilot is on call always, 24/7/365, and alerts others when a flight is needed.

This past month they transported a friend to the VA hospital in Kentucky for hospice care near his family. I am extremely grateful this was available for him. He passed away this week.

Peace Poster:

Pediatric Cancer (Chair Negaunee LION Gary Perala):

Project Kidsight (Chair Gwinn LION Peggy Lindeman,):
Project KidSight Update 6/13/19

Data-
On June 30th we will have performed 31 screenings, screened 552+ kids and referred 70+ of them for follow up care.
Screening-

Please remember if you get a “referral” on a child, print the referral screening and then “retry” screening the child. This is in case someone moved at the last minute and may decrease the number of false referrals.
Had some issues with the cameras. One was sent in and repaired for failure to focus and some updates were performed on all the cameras.
PLEASE remember to treat the cameras like the expensive pieces of equipment they are. The slightest bump or jarring, even when in its’ travel case, can throw off the inner workings. SO, HANDLE WITH CARE!
Have suitcases for the 2 printers that have been traveling in boxes. A little tight but should make transporting the printers easier.
Please DO NOT print copies of “passed” screenings for me- just need the consent on kids who passed. Don’t want to waste ink.
Background Checks-
I have back ground check applications on 33+ SD10 Lions and additional training on 13 members.
Hope to start seeing badges sometime in July.

Lion Peggy Lindeman

Teaching Family Homes (Chair Newberry LION IPDG Lion Jim Whalen):
Teaching Family Homes Committee Chairman

I want to begin by thanking all the Lions Clubs within the district for their continued support of Teaching Family Homes. Their continued financial support to the overall operational necessities is greatly appreciated.

Teaching Family Homes is having another U.P. Bike tour this year, 4- 8 August, marking their 29th year of hosting this event. This year, the event will take place in the eastern end of the Upper Peninsula, beginning the first day in Sault Ste. Marie and ending in Detour, after a 60 mile ride. The second day, the cyclists will travel through Les Cheneaux Islands, and ending in St. Ignace after a 58 mile ride. The third day, the cyclists will rest and relax within the vicinity of St. Ignace, taking in the sights and local attractions. The fourth day takes the cyclists north on a 58 mile ride to Paradise, where they will camp overnight at the River Mouth Campground. Finally, on the last day, the cyclists will finish with a 55 mile ride back to Sault Ste Marie. Mike Smith, a Lion from the Chocolay Lions Club is the project coordinator this year, and I am sure that he will be contacting Lions Clubs within these area for continued support.

Respectfully submitted…

PDG Jim Whalen

Re:

From: Tami Slagle (tamislagle@hotmail.com)
To: juddavis49807@yahoo.com
Date: Thursday, June 13, 2019, 3:22 PM EDT

Here is a list of activities we have done in the last three months:

3/14/19 - Presentation at local Women's Club meeting on the Leo Club
3/31/19 - Lions Club Breakfast - helped with dining and clean-up for Lions Club Breakfast
May/2019 - Collected socks for Bay Cliff
5/5/19 - Highway garbage pick-up with the Lions Club

Officers:

President - Mary Slagle
Vice-President - Kasse Kay
Secretary - Abigail Adcox
Treasurer - Carson Lagina
Public Relations - Raina Menghini
Social Media - Trevor Dapoz

I would be happy to meet with you. It is hard to get the kids together in the summer. But maybe if we pick a time we can see who is available.

Please let me know if there is anything else you need.

Tami

Stephenson LEO Club Quarterly

From: Nicole Brown (nicole@nicolemachalk.com)

To: juddavis49807@yahoo.com

Date: Thursday, June 13, 2019, 8:56 PM EDT

Hi Judy,

Here is the quarterly report for the Stephenson LEO Club.

We had a quiet quarter. Meetings were held each month where the club focused on upcoming volunteer opportunities.

May 5: Five LEO Club members volunteered during the Mid-County Rescue Squad Dinner for a four hour shift. The LEOS assisted with passing out of beverages and clearing tables for a steady turn around on place settings.

Week of May 13: The LEO Club held Appreciation Days at the Stephenson Schools. The Club purchased Subway Gift Cards for the janitorial staff, bouquets of flowers for each office and each lunch kitchen, restaurant certificates for each principal and superintendent and purchased logo water bottles filled with candy for all of the bus drivers and substitute bus drivers.

2019/20 officers were elected. Those names have been sent to Judy Davis and Bruce LaBelle.

Three of our members graduated.

Thank you,
Nicole
