Worksheet Video #4

Watch the video and then answer the following questions. Keep the sheet handy – we will use it next week (April 7) when we meet on Zoom.

1. According to Pastor Jon, where did your confirmation journey (and really, your journey of life and faith) begin?

2. Check with Mom or Dad – can you find your baptism date? Where were you baptized, and who was there that day?

3. What are some things that matter to you? What would take a stand for?

4. Your parents made some promises for you at your baptism, and now it will be your turn to make those promises. Pastor Jon listed several – which one is the most important to you?
