

Greetings, Lions,

Congratulations on a successful year serving others! Looking back, we served over 291 people who are blind, visually impaired or Deaf-Blind through our Guide Dog Training, Orientation & Mobility Training and Summer Experience Camp—all at no cost to our clients!

Looking forward, Leader Dog is excited to celebrate our 80th anniversary. The [Lions July newsletter](#) highlights our grass roots beginnings to our growth as an internationally recognized leader in our service platform. What three Lions can do!

We couldn't do most of this without the support of Lions, Lionesses and Leos across the United States and Canada. You are our puppy raisers, fund raisers and awareness raisers!

Upcoming newsletter items:

- Client Celebrations (sponsored in part by the Jasper Lions of Texas!)
- How We Serve Our Veterans

· Cheering on Our Top Dog Clubs

Feel free to share this email and the included newsletter with your club members, families and friends. Also, check out how your club, district and multiple district supported Leader Dog's mission in your communities: [View your club's End of Year Donation Reports](#).

Please feel free to share with us the great things your clubs and/or individuals are doing for Lions and Leader Dog—we'd love to share the pride!

Together we serve,

Lion Beth Slade
Director of Lions Engagement
