

Eagle River Farmers' Market Guidelines for Crafters 2020

The **Crafters** side of the Eagle River Farmers' Market is a venture of the Eagle River Main Street Program. Our mission is to serve the community of Eagle River by sponsoring a Crafts Market in conjunction with our Farmers' Market. Crafter stalls will be limited with a cap of 30% of vendor booths. By screening we can ensure a successful, high quality and enjoyable market that will benefit our vendors, customers and our downtown district. Vendors are not allowed to set up without pre-approval. We welcome you as a crafter/artist to participate and hope to see you there often.

Market Organization: The promotions committee of the Eagle River Main Street Program is responsible for the operation of the Eagle River Farmers' Market and reserves the right to refuse the sale of any item not in compliance with our rules and guidelines listed below.

Sellers: Sellers are approved to participate by the market committee through an application process. Work must be the exhibitors own original design and execution. All work must be handmade. **We do not allow any resale items.**

Market Committee: The market committee and it's volunteers oversee the routine operation of the Farmers/Crafts market and have the authority to enforce all policies and guidelines.

Vendors will be given the same stall each week if possible, but no stalls can be guaranteed. Adjustments may have to be made per the number of vendors present each week. Vendors signed up for the entire season will be given priority.

Vendors wishing to be added to a specific weekly Market are asked to notify the Market Manager at least 48 hours in advance by email or text. All applicants may not be accepted into the market due to limited space or like products. If you are not approved, you may ask for an appeal with our Promotions Committee to further investigate. **As a courtesy to other vendors and customers, smoking will only be allowed at the road behind the Market only (Michigan Street). No smoking is allowed in any other area. This policy will be strictly enforced.

*** If there are any questions or concerns regarding other vendors or customers, please come to the market committee to inquire and not the said customer or vendor.

The Market Committee will handle any problems related to the administration of these rules. The Board of Directors of the Eagle River Main Street Program, whose decision shall be binding on all parties, will make final decisions.
