

SPRING 2021 HIGHWAY CLEAN-UP

We need your help! It's Highway Clean-up time again! With an earlier Spring, the date has been set for April 25th, with a rain/bad weather date of May 2nd.

Last Fall, we tried something different, and had a number of days before and after the set date for pick-up, and that worked better for some people. So, if a different day works better for you, just let us know and we can get supplies to you.

Otherwise, we will have bags and some light gloves available, along with safety vests to wear on clean-up day. Spring always seems to have a good deal of trash accumulated over the winter months. Remember to wear boots, as it's sometimes wet, and have bug spray! Anyone 12 years and older is welcome, especially those with strong backs!

Faith Lutheran Church is responsible for the section of Highway 45 south of Three Lakes from town to North Big Lake Loop Road. We have divided this stretch into smaller sections, so no one has too large an area. We will pick up the bags and gather them at the church driveway.

Please join us – the more, the merrier, and less work for all!

Any questions, or to sign up, please call or text Diane Kliss at 715-321-0606, or Greg Kliss at 715-321-1215.

THANK YOU ALL FOR YOUR HELP!
