

# John Session 1

1. What are the major themes introduced here in the prologue?
2. What is this guy John doing so abruptly in the middle of all of this cosmic language?
3. What does it mean that the primordial Word becomes Flesh?
4. The word Grace only appears four times in the entire Gospel of John and it's all here in the prologue. What happens to grace in the rest of the Gospel?
5. It is unique to this gospel that John appears not as the baptizer. What is John's title here instead? What will that mean for the rest of the Gospel?
6. What are you looking for?
