## SHOULD I COME TO INDOOR WORSHIP?

**Come to worship only if you feel well!** We cannot emphasize this enough.

Please stay home if:

- you have any symptoms of illness (fever, chills, cough, shortness of breath, difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion, runny nose, nausea, vomiting, diarrhea)
- you have been exposed to someone with COVID-19 in the last 2 weeks
- anyone in your household is demonstrating symptoms of COVID-19
- you are high-risk or caring for someone who is high-risk

## WHAT SHOULD I EXPECT WHEN I ARRIVE?

**We will maintain social distancing (6 feet apart) inside and ask you practice social distancing as you arrive and leave from worship in the parking areas.** This will be difficult for us who haven't seen each other in a while, but let's save the hugs for when the virus is gone.

- **Entering (mask on BEFORE entering):** The office door and the main sanctuary doors will be open. When coming to worship, **go directly to the Sanctuary.** Offering baskets, hand sanitizer, and bulletins will be available at both entrances to the sanctuary. Doors will be propped open. Coat hangers will not be available.
- **Seating:** Once you enter the sanctuary, pews will be marked with signs. **Maintaining at least 6 feet between you and the next family unit/individual,** sit where indicated on the east side (if you enter from the front) or the west side (if you enter from the back) of the sanctuary.
- **Worship:** Everything in the pews has been removed. The worship service order and responses will be found in your bulletin. We will refrain from congregational singing, sharing the peace, passing an offering plate, and distributing Holy Communion.
- **Leaving:** As you leave the sanctuary, remember to **maintain at least 6 feet between you and the next family unit/individual. Leave from the same door you came** and take everything with you (including your bulletin).

## OTHER INFORMATION

- All pews will be disinfected after each worship service, and the sanctuary, bathroom, and public areas thoroughly cleaned and disinfected.

- If we are informed of a possible exposure to the virus, we will contact each person in attendance.
