### **NOTICE THOUSAND ISLAND LAKE ROAD CLOSURE**

BESSEMER, Mich.--The Gogebic County Road Commission (GCRC) reports that THOUSAND ISLAND LAKE ROAD, Watersmeet Township, will be **closed** to traffic beginning **7:00 a.m. on Monday, July 20, 2020 for approximately a month**. The road closure on Thousand Island Lake Road is located at approximately from 2.5 miles south of US-2 to 3 miles south of US-2. The purpose of the closure is to remove and replace a deep culvert in conjunction with a paving project.

The Sylvania Wilderness and Recreation Area in the Ottawa National Forest can be accessed from the south by utilizing the posted detour route. The posted detour route directs traffic east along US-2 to Watersmeet, south along US-45 to Land O' Lakes, west along CTH B, northeast along Roddis Road and then north along Thousand Island Lake Road.

Once the deep culvert is replaced, the detour route will no longer be in effect. There will be one lane traffic with traffic control flaggers for the roadway work. As always, please use caution when driving through a construction site. Questions may be directed to the Gogebic County Road Commission at (906) 667-0233.
