

Advent Devotional

This year, we will be trying a communal Advent practice. We are looking to make a “Together in Christ” Advent Devotional written by people from Salem and Zion. When you sign up, you will be given a day with two different readings; please pick one of them and then read it and reflect on it.

Spend some time with it in prayer.

And then write a short reflection on it, no more than 250 words (just under half a page), with a short prayer at the end.

Email your reflection to either office@salemlutheranironwood.com or zionevangelicallutheran@gmail.com **no later than November 1.**

Keep an eye out for instructions about obtaining the devotional as well.
